PRESIDENT: LB515A passes with the emergency clause and that completes Final Reading. Senator Lewis.

CLERK: (recorder turned off) up would be Senator DeCamp's motion to reconsider our action on Final Reading of LB90A.

PRESIDENT: Under the south balcony guests of many of the Omaha senators are some well known people from Omaha. Mr. and Mrs. Rudy Stoysich the so called "Polish Sausage King of Nebraska", welcome Rudy and Mrs. Stoysich.

We go to item seven, Senator DeCamp's motion to reconsider Final Reading of LB 90A.

SENATOR DE CAMP: Mr. President, 90A is financing bill for the drivers license photos. We passed the photo bill but we didn't pass the funding bill so I made a motion to reconsider. I have no opening and I don't think any closing, I just think that we ought to vote and get it over with.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature because this bill asks for money not in the Governor's budget it requires 30 votes for the funding measure so to my way of thinking the bill in fact was passed, but as far as all practicality it was not passed. I think that the vote on the appropriations bill was proper and had not Senator George played the role of the sympathetic individual the original bill would not have passed. So, I hope the legislature will vote down this attempt at reconsideration. I won't go through the arguments that I gave against the bill. I would just say that I would like incorporated by reference all of my prior statements.

PRESIDENT: It shall be done. Senator Goodrich.

SENATOR GOODRICH: Mr. & Mrs....Mr. President and members of the body this particular bill as Senator Savage indicated is a bill to fund the drivers...the photo on drivers license bill. The money actually comes from the fees on the drivers license, so we are not just dipping into the general fund in the straight sense of the word. The money comes from photo on drivers license bill to go into the general fund and this authorizes the spending of that money for the purposes that it was raised. I would urge that you move this bill forward.

PRESIDENT: Senator DeCamp, would you close debate on this matter?
